Dear Parents/Carers

We would like to invite you to an online safety talk for parents in the school hall on

Wednesday 19th April at 9am

We are dealing with more and more incidents in school of online bullying and social media incidents. As the internet is an ever changing world we would like to keep parents up to date with new apps and games that can pose a risk to your children.

The children in year 4, year 5 and year 6 have all taken part in an e-safety session which has opened their eyes to the dangers of social media and how to keep themselves safe.

It has also taught us that some of our children are putting themselves at risk on the internet!

We want to share this message with you.

Did you know...?

Musical.ly App contains -

- 18+ content in the song's lyrics, swearing and adult concepts in the provided music.

Please join us for this hour long session delivered by Mawuli Amesu, lead safeguarding, advice and support to schools.
