Next week our year 6 children will be completing either their level 1 or level 3 cycling proficiency. We hope this will help to give them greater confidence on the road especially if they are out and about more often or even planning to cycle to high school in September. It is really important to

understand road safety when cycling so we are pleased to be able to offer this opportunity to the children. More information about Bikeability can be found here <a href="https://www.bikeability.org.uk/">https://www.bikeability.org.uk/</a>

Our year 5 classs will also be participating in the road safety champions session next week, which will help to keep them safe too, as they become more independent.

Well done to Year 6 who all arrived on time every day – FANTASTIC!

Children should be in school by 8.45am if you arrive after this time you are late!
