

PARENTS EVENING TUESDAY 20TH MARCH 2018

ONLINE BOOKING

12TH March 2018

Dear Parents / Carers,

On Tuesday 20th March 2018 we will be holding Parents' Meetings for children in all years. This gives you a chance to discuss with your child's teacher and teaching assistant how well your child is working and to look at their work and displays in corridors and classrooms. This year all children's books will be in the hall for you to take a look either before or after your appointment, you will be called into your appointment at the given time. It is a statutory requirement for teachers to report to parents/guardians on their child's progress so please endeavour to attend. If for any reason you cannot attend you will be contacted to make an alternative appointment the following week.

- Appointment times will run from 3.30pm until 6.30pm and will be 5 minutes each.
- The school day will finish at the **normal time, 3.20pm.**
- Online booking system has been used this year – you should have received a message/email regarding accessing this – if you have not please contact the office.

I hope the new online booking system for our second Parents' Evening/Afternoon of this academic year has been useful. I hope you have managed to get a convenient appointment time and we all look forward to seeing you soon. To be able to keep all the appointments it is vital that individual appointments do not over run and keep within the **5 minute** time slot. This appointment is to discuss your child's progress and therefore if you have other things you would like to discuss please request a separate appointment. Please ensure you do not miss your appointment.

Mrs Boyer our SENDCo will be available throughout the evening as a drop in option for any parents wishing to discuss anything specific to Special Educational Needs.

As always we want to understand what you feel works well and also any suggestions for change. There will be a 'What we do well' board and a suggestion box in the hall - please let us know how you feel.

SCHOOL UNIFORM – CHANGES FOR Y1 – Y6 – PLEASE VOTE

You will have received a letter from us earlier this year regarding the changes to the school uniform from this September. We are introducing a tie, changing to shirt rather than polo shirts and V-necked sweatshirts rather than round neck. The letter sent out is available on the website and also attached to this email again for your information. We want **you** to help us decide on which tie we will introduce so please cast your vote and take a look at all the information on display in the school hall during Parents Evening – we also have live models to show how smart everyone will look.

Yours faithfully,

Mrs H Warburton
Headteacher
