

## Year 1 Online Safety

### What do I already know?

- I know some examples of what is my personal information
- I know that my password is personal and belongs to me
- I can describe ways that some people can be unkind online
- I can offer examples of how this can make others feel
- I can identify rules that help keep us safe and healthy in and beyond the home when using technology
- I can name people who can help me
- I can identify where to go for help if I feel uncomfortable.

### What will I learn?

- I can use technology safely and respectfully
- I can keep personal information private.
- I can use the internet with adult support to communicate with people I know.
- I can explain why it is important to be considerate and kind to people online.
- I know what to do if I find something inappropriate online or something I am unsure of (including identifying people who can help; minimising screen; online reporting using school system)
- I know the features of a strong password
- I can save my work so that others know it belongs to me

### Vocabulary

Search: Finding data or information.
