

Year 4 Online Safety

What do I already know?

- I use technology safely, respectfully and responsibly.
- I can explain ways in which and why I might change my identity depending on what I am doing online
- I can explain some risks of communicating online with others I don't know well
- I can recognise I need to be careful before I share anything about myself or others online.
- I can explain what bullying is and can describe how people may bully others.
- I know what steps to take to remain safe when using social networking sites and online chat

Vocabulary

Positive online communication- being kind to others online

Online persona- How you are represented online

Digital footprint- information online about a person because of their internet use

Animation- digitally generated images that appear to move

Age restriction- An official rule that limits what a person can do online

Social network-

Screenshot- A photograph of a digital screen

Screeencast- A video recording of a digital screen

What will I learn?

- I recognise acceptable and unacceptable behaviour using technology
- I know how to protect devices from viruses
- I know that any information I put online can be seen and used by others
- I can recognise that looking for information online (surfing and searching) can be a threat to e-safety and e-security
- I can recognise that online content may not be by an expert, or may be wrong, biased or out of date because there is no person in charge to say what is or is not acceptable
- I can explain that some people I 'meet online' (e.g. through social media) may be computer programmes pretending to be real people
