WORLD BEE DAY - Monday 20th May 2024. Dust off your BEEly Boppers!

Children are invited to support us to raise much needed awareness on how important bees are to our local bio - diversity and to help our School.

#### TO SAVE THE BEES!

School Council would like to invite you to attend school in your own clothes for a £1.00 donation you are welcome to wear black, brown, yellow, orange or anything brightly coloured and flowery! (Please to not go out purchasing clothes especially for this.)

Your donation will support us to brighten up our school grounds with, our planned pollinator paradise gardens, herb tyres and wild flower meadows.

We would also welcome donations of any old useable watering cans, bee loving herbs that can be planted outdoors or the odd marigold plants that you may have spare.

We thank you all for your support in advance it is truly appreciated.

Mrs Seddon, and the North Walkden School Councillors

Chair of Governors: After serving for many years as the Chair of Governors at North Walkden Primary School, Mr Shaw's term of office has come to an end and he has made the decision to step down from Chair and hand the reigns over to somebody else!

However, Mr Shaw will continue to be a member of the governing board as a co-opted governor and will continue to be a regular visitor to school.

On behalf of staff, children and parents, I would like to thank Mr Shaw for his support, dedication and commitment he has shown to North Walkden during his time as Chair of Governors.

Mrs Lisa Carter has been successfully voted as new Chair of Governors at North Walkden with effect from 30<sup>th</sup> April 2024. Mrs Carter has been vice chair for some time and is very much looking forward to the role.

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

Staffing: This week we have said goodby to Miss Robinson, who joined North Walkden as a Welfare assissytant then also supported as a Teaching Assistant part time. We wish Miss Robinson all the best and thank her fo al her hard work dutring her time at North Walken.

☆

Children should be in school by 8.45am if you arrive after this time you are late!

Well done to Reception and Year 2 who all achieved the attendance target this week!

#### **Punctuality and Attendance**

Please remember school starts at 8:45am – Doors will be open from 8.35am. Children arriving after 8.55am must enter through the school office and be signed in.

Last week's attendance - Our School target and individual pupil target is 96%

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
Class attendance award	93	96	91	96	89	94	88	90	92
Late arrivals	3	4	6	5	5	3	4	13	

Online Safety: We have some helpful advice below about online safety and we will share different supportive advice each week in the newsletter.

**AZOOMEE** 

#### MAGIC PIANO BY SMILE

While Magic Plano doesn't strictly teach you how to play the piano, it does teach hand-eye coordination and can help spark creativity in young minds. Users can play along to a variety of popular songs on a range of difficulty levels in an attempt to get through the song with as few mistakes as possible, increasing destertity and reaction times. Free on 105 & Android, the game does contain some ads and in-app purchases, so be sure to check these out before letting younger players unleash their musical side. Magic Plano is PEGI 3 rated but requires slightly more nimble hands to master so older kids will get the most from this.

azoomee

Azoomee houses over 1,000 games, videos and activities for kids of all ages to play, have fun and most importantly, develop their key skills in. The app is award winning, BAFTA nominated, supported by the NSPCC (according to the description on their app page) and comes with a suite of parental controls built in. As well as educational games, activities and kid's favourite TV shows, the app also has a built-in chat feature where they can talk to their friends safely. A nice little touch is that if you buy a subscription to Azoomee for unlimited premium content for £4.99 a month, a portion of the money raised goes towards supporting the NSPCC. The app is available on iOS, Android and Amazon.

#### **POLY BRIDGE**

POLY While Poly Bridge could be easily enjoyed solely as a game, it's actually an incredibly clever way to learn critical thinking and engineering skills in a kid friendly way. It's set in a colourful, cartoony world and has extremely simple gameplay. In Poly Bridge, it's your task to get cars, buses, trucks, boats and more safely to their destination by designing bridges that are safe and practical. How those bridges are created is entirely up to you. With over 100 levels, a sandbox mode and almost infinite playability, Poly Bridge is available on PC, Android, IOS and Nintendo Switch at various price points, so be sure to check which is the best option for you. BRIDGE

### CROSSWORLD PUZZLES (WUBU APPS LTD)

Crossword puzzles might not immediately seem like a learning game for younger kids, but they're incredibly effective at building strong word skills and problem solving. This one by Wubu Apps Limited is exclusive to IOS and constantly changes its roster of daily crosswords and challenges, although there are a whole bunch of apps available out there which do similar things. The app is rated 4+ but would likely be suited to kids a little older as the crosswords are designed for adults as well. As mentioned, Crossword Puzzles is only available on IOS devices and is free to download but does contain in-app purchases.

#### SCRIBBLENAUTS UNLIMITED

Scribblenauts is a game like few others in that it actively encourages children to use their intuition to solve a variety of puzzles. Armed only with their imagination, players must complete levels by conjuring potentially useful items for main character Maxwell to collect the Starites and achieve his goal. The game helps create strong vocabulary and word association to a fun 2D backdrop. While any version of Scribblenauts is good, Unlimited is Indiantied is the solution of the 2D backdrop. While any version of Scribblenauts is good, Unlimited is thost readily available, being released on Wii U, PC, Nintendo 3DS, iOS and Android devices, PS4, Xbox One and Nintendo Switch.

#### **SUPER MARIO ODYSSEY**

Widely regarded as one of the greatest games Nintendo have ever made, Super Mario Odyssey provides family friendly fun and a challenging environment for kids to learn new skills in a video game. Rated PEGI 7, Odyssey can be enjoyed by almost any age range, even those who are young at heart. The caveat is that the game is only available on Nintendo Switch, so some investment will need to be made, but the console boasts a host of other child-safe titles and the ability to play on the go as well as at home.

## MINECRAFT

Minecraft is one of those rare, timeless classics that can be enjoyed by every age group. Coming in both a console version and a pocket edition for mobile devices, the sandbox world-building fun in Minecraft can be an amazing place to let your imagination run wild. The game can be played online with friends and supports cross-play, meaning that no matter what device everybody has, it can be played together. While the game isn't free, it will undoubtedly provide hours and hours of fun for the whole family so it's worth the investment of a one-time purchase. As one of the most popular games ever released, it inspires critical thinking, problem solving and above all, fun.

As obvious as it may sound, Netflix's children's section is ideal for keeping young ones and toddlers out of trouble on long journeys or at home. The specific profile for kids allows them to only view content appropriate for younger audiences which lets you and them watch their favourite shows and movies anywhere, at any time. Curated playlists, easy navigation throughTV series and movies, and no-hassle auto-play means a stress-free guarantee. The only downside to the app is that it requires a Netflix subscription in order to use it but if you're happy to pay the monthly cost, it's an absolute must for any parent. NETFLIX

#### LEGO MOVIE MAKER 2

The LEGO Movie Maker 2 app lets users create their own stop-motion movies and upload them for others to watch online. Kids can create a short LEGO movie in whatever genre they like using a range of easy to use tools and are able to add in sounds and visual effects to make the videos look super realistic. All movies are moderated before they make it online so you can be sure no sensitive information is uploaded or viewed by third parties. The app is free to download on both 10S and Android devices but does require creation of a LEGO account to upload videos. The only information needed for an account is the country you live in, your email address and date of birth. While it's rated for 4+, kids of 8 and up will get the most out of this one. MOVIEWAKER

# ADVENTURES OF POCO ECO: LOST SOUNDS

If something more slow-paced and chilled out is on your radar, Adventures of Poco Eco should be able to scratch that itch. With an emphasis on creating a rich and inviting musical soundscape over hardcore gameplay, the puzzle action is perfect for unwinding young minds, as alo poposed to challenging them. The single-player game is available on all iOS and Android devices, as well as the Amazon Kindle Store and you can also nab yourself a free copy of the soundtrack with the purchase.

Meet our expert

Mark Foster has worked in the gaming industry for 5 years as a writer, editor and presenter. He is the current gaming editor of two of the biggest gaming news sites in the word, UNILAD Gaming and GAMINGbible. Starting gaming from a young age with his siblings, he has a passion for understanding how games and tech work, but more importantly, how to make them safe and fun.
