Meet the Teacher: Thank you to those parents/carers who were able to attend the meeting this week. We feel it is important to share with your information about your child's new class so we can all support them in their learning. We have meeting for year 1 and 4 next week so please do come along. The presentations are shared via email after the meetings.

Forest School: This year we are lucky to be involved with Community Little Hulton who are running forest school session funded by the Healthy School Partnership grants from Salford CVS. The grant enables us to provide forest school workshops for two classes this year. The first class to participate will be year 5 and their sessions will commence in October. The sessions will be held within the school grounds for 1 hour and will take place in all-weather

unless deemed unsafe. Children will need to bring wellies and have suitable

waterproof coats, gloves, hats etc as they will be outside for these sessions. Year 1 will receive their sessions next year starting in January 2025. Site and risk assessments will be conducted before sessions begin. There will be an increased risk to minor injuries (stings from insects of nettles, bumps and scratches) due to the nature of the sessions. First aid will be administered by the forest school leader/class teacher if required. We feel this will be an exciting opportunity for the children enriching their learning experience.

Swimming lessons: This year we have changed how we deliver swimming lessons. We are very excited to be having lessons within school in a purpose built temporary pool that will be situated in the junior playground. This means that we do not lose lesson time traveling to and from the pool and can teach children in smaller groups enabling them to learn faster. Swimming lessons will be held every day over a four week period from 16th June 2025 to 11th July 2025. Children will receive the same amount of hours as they did last year but over a shorter period. We will write to you in advance of the lessons starting with further information. You can read about Swim@school here https://greatermanchestersportsclubs.com/swim/

Condover Y6: Year 6 will be heading off on their residential trip soon. We leave on Wednesday 25th September to have some amazing adventures and will be back on Friday 27th September. The presentation shown at the parents meeting this week has been emailed out to all parents. If you child requires medication please make sure you have completed the required medical form and returned it to the school office.

☆

School Council: This week children have nominated themselves for school council and presented their manifesto to the class to state how they will support school by representing their peers. Once all nominees have given their presentation they were voted in by their class. I am pleased to announce that this year's School Council representatives are....

Year 2 – Lu'ay and Robyn

Year 3 – Eli, Frazer and Amelie-Jo

Year 4 – George and Layla

Year 5 - Grace and Jacob

Year 6 - Joely and Teddy

School council members will undertake a number of important duties throughout the school year, we will keep you informed in the newsletter
