

NORTH WALKDEN PRIMARY - NEWSLETTER

4th October 2024

We come to the end of another busy bad fun week here in school. Our year 6 children are back after their exciting adventure to Condoover Hall which our Roving Reporters have reported about. I have listened to a lot of the children talking about how they conquered their fears and challenged themselves to participate in all of the activities. I can see how this has boosted their confidence and I am very proud of them all.

Nasal Flu Vaccination: For those children who had consent they received their nasal spray vaccination on Monday. If your child didn't receive their and you would like them to please collect an information leaflet from the school office.

Drama workshops: Years 3 and 5 enjoyed the workshops from Altru Drama today, learning about the Stone Age and the Vikings.

Forest School: Year are enjoying their 1st afternoon of forest school, our Roving Reporters may bring you more information about this next.

PE: Next week year 4 and 5 children will have an additional PE session on Thursday and therefore need to come in their PE kit on this day.

Well done to Year 6 who were on time every day this week!

Children should be in school by 8.45am if you arrive after this time you are late!

Well done to Year 1 and Year 5 for achieving their attendance target - let's keep this up throughout the year!

Y6 Roving Reporters Bulletin

Amina - Hello, my name is Amina, I'm here to write about Condoover Hall. Firstly, the Jacobs ladder. Now, it's these exquisite logs that you have to climb up on, using your rope, you are expected to throw it on a log, it may seem scary, well....maybe? There are huge gaps between, but do not worry! You are clipped on a harness, next u will be hearing from Ruby Bradley.

Ruby - Hello my name is Ruby Bradley, I'm here to write about Condoover Hall too. Firstly, the aerial trek. It is high but it is fun. You are strapped into a harness and it's like you're on a zip line but in the air and on obstacles. It's fun but a bit terrifying. That's all from me now you will hear from Mason Smith.

Mason - Hi, I went to Condoover Hall and I am speaking about rock climbing it was a bit scary but you could climb up to the height you desired and then drop down You were not forced to do it now that's me for today.
