Place2Be offer a free online parenting course which you can access at a time convenient to you. It's based on tried and tested techniques and experiences from supporting children, young people, and their families. This is what participants say....

"This course gave me time to step back and think. It was just the right format, not too much information or too little, and tackled the important parts head-on. Seeing the tools working is rewarding as a parent/foster parent."

"I must be honest; I'm seeing a lot of improvement in my relationship with my children."

"I thought it was enlightening and fantastic, and it made me think and change some of my parenting ways, which I didn't expect."

"This course inspired me. It taught me so much and gave me techniques to help my child and me."

Sign up for this 4-week online programme by 6th January 2025 for the start on the 14^{th of} January 2025.

The Department for Education's (DfE) Holiday Activities and Food programme (HAF) has provided funding for Salford's winter holiday fun. Running from the 20 December to 3 January children aged 4 to 16 who are eligible for free school meals, can access a range of free activities including baking and cooking, arts and crafts, sports, music and more. All sessions can be booked via <u>www.salford.gov.uk/HAF</u> and include lunch, take and make boxes to make meals at home and cinema tickets.

As part of the HAF programme we are also able to offer a limited number of places to children not on free school meals but who are experiencing food insecurity in the holidays. If a child meets any of the criteria below they can also book on the activities.
