In school we have a number of special jobs which the children put themselves forward for or are nominated by their friends. These roles in school are very important and the children will receive a badge to identify them in school. Below are some of the roles but we also have a lot of roles within year 6 such as prefects and ambassadors which we will let you know about next week! Hopefully our roving reports will be keeping us up to date with all the exciting events.

Role	Responsibilities	Pupil
Team Captains	To collect and manage their team points, a role model for the rest of their team	Voted by the pupils
School Council / Eco Committee	To be the voice of the pupils, a point of contact and a representative for the school.	See below
School Reporters	Our budding school journalists will be keeping an eye on current events and news within school and reporting these in the weekly newsletter	Y6 – Jessica and Harrison

The new School Council/ Eco Committee have been elected for this academic year. The children in years 1 to 6 spent time writing their manifestos and presenting it to their class. Each child then voted and we are pleased to announce that children with the most votes are:

Year 1 - Amelie - Jo & Riley

Year 2 - Kye & Hallie

Year 3 - Michael & Molly

Year 4 - Carl & George

Year 5 - Mya & Rayyan

Year 6 - Erika & Jessica

Thank you to the School Council/Eco Committee from last year, you did a great job.

This year we have lots of exciting plans and ideas to share with you all, watch this space...!

Copper Challenge: What a competitive bunch we have and I don't just mean the teachers (especially Mr Whiteway!) The children had such fun seeing how long they could make their copper line today and then used their fantastic maths skills to work out how long their line was in total.

School Reporters

We have our new School Council! We have 12 new people to speak up for our school and help to achieve our schools goals (the Eco School Award and a mobile cooker). Let's cheer them on as they raise money and challenge the litter.

Space Day is coming up on the 6 of October so I hope you are ready for some awesome food. You can choose between planet pizza and meteorite meatballs with Pluto pasta and for dessert: astronaut ice-cream and fresh fruit. Sandwiches and jacket potatoes are also available.

Many Thanks Jessica and Harrison.

The winners were..... Y3 who made a line which was 52 metres 83cm long!! WELL DONE.

Here is how everyone else got on...

EYFS: 47 metres

Y1: 49.5 metres

Y2: 27 metres

Y5: 35 metres

Y6: 39.1 metres

Well done to everyone, what a fantastic effort everyone made and what a lot of fun we had. I will confirm the total amount raised on next week's newsletter once we have counted all the copper!!

Parent Governor: We have the exciting opportunity for you! Would you like to help shape your child's future, make important decisions regarding your child's school and help us to make North Walkden even better?
